For: TREATMENT OF HEPATITIS C USING HYPERTHERMIA

**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to Sections 1.56, 1.97, and 1.98 of Title 37 of the Code of Federal Regulations, the following information is set forth in compliance with Applicants' duty of disclosure, as well as the duty of others substantively involved in the preparation of the above-titled application.

The Applicants and others substantively involved in the preparation of the application are aware of the documents listed on the enclosed PTO-1449 form. All of the listed documents were submitted or cited in parent application Serial No. 09/484,360, filed January 14, 2000, except for U.S. Patent Nos. 6,347,633 and 6,644,320, which are issued patents in the same family as this application.

---

**Certification of Facsimile Transmission**

I hereby certify that 8 pages including cover are being facsimile transmitted to the Patent and Trademark Office on the date shown below:

Information Disclosure Statement  
Applicants: Karl Emil Groth et al.  
Serial Number: 10/667,917

Attorney Docket: FCM1005USC2

The present statement reflects the direct knowledge of the undersigned and information disclosed to the undersigned by the Applicants and others substantively involved in the preparation of the present application pursuant to their duty under 37 C.F.R. § 1.56.

Applicants reserve the right to show, pursuant to 37 C.F.R. § 1.131 or otherwise, that any one or more of the documents listed on the PTO-1449 form is not prior art to the present invention.

Pursuant to the Manual of Patent Examining Procedure, Chapter 609, Applicants request that the Examiner consider each of the listed documents and initial and return to the undersigned a copy of the enclosed PTO-1449 form.

It is believed that no fees are due in connection with this submission. However if this is incorrect, please charge any fees to Deposit Account No. 16-2312.

Respectfully submitted,

Date: January 25, 2005
